

BANYAN TREE UNGASAN

Your cliff top retreat where horizons stretch forever

Banyan Tree Ungasan

Acquaint yourself with the fascinating culture, rich heritage and traditions of spiritual Bali.

Poised majestically on a cliff top near the sacred Uluwatu Temple, stands Banyan Tree Ungasan. This exclusive all-pool villa resort is an exemplary illustration of the distinctive Banyan Tree experience and famed Balinese hospitality.

Contemporary Balinese architecture and style pervades through the resort. Interiors accoutered with vibrant Balinese fabric, marble floors and intricate stone and wood carvings, lead to refined courtyards, along along thatched Balinese bales and relaxation decks.

Pool Villa

Echoing the peaceful tranquility of its Bali cliff top setting, an air of romance lingers at the handsomely appointed Pool Villa. Luxuriate in the plush interior, meditate in the traditional outdoor Balinese bale or dive into the infinity edge or jet pools and submerge yourself in total relaxation.

Choose to hold court with nature with a garden view villa or admire spectacular seascapes with the sea or cliff edge ocean view villas – Pool Villa is the place to spend lazy days and tranquil nights.

Sanctuary Pool Villa

Endowed with an impressive expanse of living space, the exquisite Sanctuary Pool Villa, with garden, sea or cliff edge views, proffers an intimate vacation experience for friends and family.

Salute the sun with an invigorating yoga session on your elevated Balinese bale, lounge on the timber sun deck by the infinity edge pool or enjoy a casual card game in the living room. When the sun sets over the sparkling Indian Ocean, the astronomy-inclined can look forward to star gazing.

Presidential Villa

An elegant depiction of contemporary Balinese design, the palatial Presidential Villa is an unforgettable encounter with exclusivity.

Mounted high on the cliff edge, this stately enclave commands striking vistas of the vast Indian Ocean.

With a myriad of living and leisure niches, cultivate an appreciation for quiet serenity in the landscaped courtyard or revel in the company of family and friends with a dinner party by the pool.

Bambu

Bespoke cocktails, chic aperitifs, warm conversation and eventide flow seamlessly at the al fresco Ju-Ma-Na Bar, a Moroccan-styled outpost.

From its lofty perch on Bali's southernmost cliff, Ju-Ma-Na presents fine dining with a dramatic view. Delicious seafood artfully prepared by talented chefs will take your taste buds on a culinary journey.

Indulge in signature dishes steeped in Indonesia's rich culinary traditions and international favourites at Bambu. On some evenings, traditional Balinese song and dance performances such as the Kecak and Legong complement your meal.

Destination dining

Tamarind, the resort's spa restaurant offers light-hearted flavours, wholesome delights and zesty *jamu* concoctions.

Twilight time, soft sea breeze, extraordinary ocean vistas, essential ingredients for a romantic dinner for two. At your request, your personal chef will transform fresh local produce into haute cuisine, fit for the most sophisticated of palates.

Wedding

Private and secluded, the ocean-facing lawn provides the perfect conditions for an intimate destination wedding. Begin your forever fairytale under blue skies and a floral wedding arch.

With a large ballroom and function rooms of varying sizes, the resort is well equipped to play host to board meetings, business conventions or celebrations.

Take a breather from quietude and indulge in activities such as aerobics or mountain biking, or relax with a cocktail by the swimming pool with fellow resort guests.

Experience the culture, craft and heritage of this mystical island with a day tour to the Ubud region, home to art museums and local craft workshops. For more enlightening adventures, pay visits to the famed Uluwatu Temple and Tanah Lot.

Banyan Tree Spa
